Our apology to Dan Braniff for the picture captioning wherein he was mistakenly called Dave. Christmas pressures get to us all.

GHWG Christmas Party

Over 100 turners, spouses and friends turned out for the annual GHWG Christmas Party on December 9th. There was lots of food provided by Brenda Cavalier of General Brock High School. We even had a little left over despite the larger than expected turnout. The ornament tree was loaded, this time with some new designs of bird houses and icicle ornaments inspired by Robert Rosand.

The winning ticket for the Jet Lathe raffle was drawn by Brenda Cavalier.

And the winner is **Andy Ditomaso**.

I can tell you personally that Andy really, really, really wanted to win the lathe. I guess those 9 tickets he bought paid off, or he might have had a little help from Santa Claus.

The turning competition was spectacular. The quality of entries, especially in the novice category was terrific. I have not seen a club competition with as many top notch entries. I think the quality can be traced directly to the effect of all the hands on sessions the Guild had this year, they certainly paid off handsomely. The 37 spouses and

guests had a very tough time choosing winners from the quality entries. 1st place winners received \$25 gift certificates from Lee Valley or Woodhaven, and all winners received certificates from the Guild. The winners are as follows

Novice	1st	Dave McKee
	2nd	Joanne Hallman
	3rd	David Page
Intermediate Robertson	1st	Charles
	2nd	Eric Dalrymple
	3rd	David Lewis
Advanced	1st	Eugen Schlaak
	2nd	Frank Ditomaso
	3rd	Vince Redmayne
Master	1st	Brian McIntosh
	2nd	Josh Pichanick
	3rd	Victor Burville

In all, I think everyone had a great time. Special thanks to all the wives of the executives who helped with the raffle, setup, competition and even made the place look festive.

Hamilton Wood Show

The GHWG guild will once again have a booth at the Hamilton Wood Show. This year it will be held at the Canadian Warplane Heritage Museum at the Hamilton Airport on January 28, 29,30. The show has been growing in the past few years and is drawing good crowds. We will have our Jet and Record lathes, and some additional members lathes for use. Please bring your own blanks and tools if possible. Do not bring large unbalance blanks, the lathe cannot handle the strain and it is dangerous to do this kind of work in front of a crowd. We will also like to have a number of items for the display table. We would like to have the winners from the "Have it your way" and Christmas competition offer their pieces with the certificates. All will be protected behind a roped barrier and security if provided at night.

Andy Ditomaso will be coordinating the show again this year. He will have a sign up list at the at the January meetings. Contact Andy at 905 381 1000.
